

Best Execution Policy

1 Policy Statement

1.1 The business of Stanbic IBTC Stockbrokers Ltd (hereinafter referred to as “SISL”) is built on trust and integrity as perceived by our stakeholders, especially our clients, shareholders and regulators.

1.2 An important element of trust and integrity is ensuring that SISL conducts its business in accordance with the values and Code of Conduct and Ethics that SISL has adopted, and in compliance with applicable laws, rules and standards.

1.3 SISL Best Execution Policy (the “Policy”) is designed to comply with the Nigerian Stock Exchange (NSE) Rules on Order Handling and Best Execution as well as other applicable statutory and regulatory obligations, ensuring that:

1.3.1 best execution is sought at all times when purchasing or selling securities on behalf of SISL clients.

1.3.2 reasonable steps are taken to obtain the best available result for SISL clients within the shortest time frame, provided that SISL does not deviate from the client’s mandate.

2 Policy

2.1 When does this Policy apply?

This Policy applies to all clients mandates on all types of securities.

2.2 Best Execution

2.2.1 SISL shall at all times when acting on behalf of clients on the purchase or sale of securities, adhere to this Policy by taking reasonable steps to obtain the best available results for the client within the shortest time frame in accordance with the terms and conditions of the mandate from the client.

2.2.2 SISL is obligated to deliver the best possible result when executing client mandates on all types of securities.

2.2.3 SISL shall apply this Policy in a manner that takes into account the different circumstances associated with the execution of mandates related to particular types of securities.

2.2.4 When executing an order, SISL shall take reasonable steps to obtain the best possible results under the circumstances whilst taking into consideration the following execution factors. These include: price, costs, speed, likelihood of execution and settlement, size, nature, fill rate, price improvement, market impact or any other consideration relevant to the execution of a client’s mandate.

2.2.5 SISL shall establish and implement this Policy to each client’s mandate

2.3 Client Order Handling

2.3.1 SISL shall implement process and procedures which provide for the prompt, fair and expeditious execution of clients' mandates.

2.3.2 SISL shall whilst carrying out clients' mandates, ensure that mandates executed on behalf of clients are promptly and accurately recorded and allocated.

2.3.3 SISL shall not execute a client's mandate in aggregation with another client's mandate.

2.3.4 SISL shall not aggregate a client's mandate with a transaction for its proprietary account.

2.3.5 SISL shall not misuse information relating to pending client orders and shall take all reasonable steps to prevent the misuse of such information.

2.4 Direct Market Access (DMA)

Where a client chooses to execute an order through the use of SISL's DMA, the client will select the parameters of the trade. In such situations, SISL will treat this as the client having given specific instructions in relation to the execution of his or her order as the order goes immediately into the market. SISL will therefore be deemed to have satisfied its best execution obligations. All trading activities executed by the client shall comply with all applicable laws and regulations, including but not limited to The NSE's Rules and Regulations.

2.5 Notification

2.5.1 SISL shall display the Policy on its website at all times.

2.5.2 SISL shall notify its clients of the regulatory provisions of this Policy, any changes therein and its effect to their transactions.

2.5.3 SISL shall promptly inform its clients of any material difficulty relevant to the proper execution of mandates upon becoming aware of the difficulty.

2.6 Audit Trail

2.6.1 SISL shall ensure that a system for tracking and monitoring orders is established and maintained.

2.6.2 Evidence of audit trail shall be maintained.

2.7 Monitoring

2.7.1 SISL shall monitor the effectiveness of its order execution arrangements and this Policy on a regular basis in order to identify and, where appropriate, correct any deficiencies.

3 Definitions

3.1 Client Mandate/Order:

This is an authorization from a client to a firm to trade securities in its registered trading account. The client is the beneficial owner of the securities traded.

3.2 Best Execution

“Best execution” refers to the obligation on the firm, when executing or arranging the execution of a client order, to take all reasonable steps to obtain the best possible result for its client.

3.3 Direct Market Access

An electronic trading facility for investors, who are clients of SISL and wishes to trade in financial instruments, to interact directly with the order book of the Exchange.
